

Calling all participants in the London women's design groups

Women's Design Group project/London Access Forum event
Thursday 4th August 2011 4-6pm at City Hall
Followed by Women's Design Groups meal 6.30-8.00pm

Please join us in celebrating the successes of the **Women's Design Groups** project which comes to an end in August 2011, and get together with women who have been involved. The event is being held in partnership with the London Access Forum and will enable those attending to explore opportunities for women and disabled Londoners to work together to demand more inclusive design and access for all in planning and the built environment.

Contributors will include: London Access Forum Chair **Peter Lainson**, GLA City Planner/Access officer **Julie Fleck**, Inclusion London CEO **Tracy Lazard** as well as WDS staff **Georgia Wrighton** and **Barbra Wallace**.

To thank you for your input in the Project we would also like to take you out for a meal at a restaurant close to City Hall on the South Bank.

If you would like to attend the meeting and/or meal, please let Georgia know by emailing gwrighton@wds.org.uk or telephone us on 020 7490 5210 (please leave a brief message with your contact details if we are not able to answer your call).

If you are unable to attend the event but would like to find how more, please contact Georgia using the contact details above.
