

# Safety in Northmoor October 2003

## A Community Safety Story

Based in Northmoor Road, Longsight, Manchester  
Photographed and created by *Safety in Northmoor*

Safety in Northmoor is a group of women from the Northmoor Road area who took part in a Community Safety Audit with Making Safer Places Project. The project aims to improve community safety by working with groups of local women to develop their skills and knowledge in assessing and improving the design, access and facilities in their neighbourhoods.

**For more information about *Safety in Northmoor* contact  
Liz Sprenger on 0161 225 6040 or  
Naseem Butt (also speaks Urdu) on 0161 256 2617.**

It's so hard to cross safely here

"We could do with a crossing here"

The cars are coming too fast - its like a race track!

Dare I go?  
Now the road is blocked and  
it's too dangerous

Shall I risk it?

I'm not sure....

No, I might get  
mugged again

Making Safer Places, one of the projects run by Women's Design Service, is funded by the Community Fund. For more information about Making Safer Places and Women's Design Service visit our website [www.wds.org.uk](http://www.wds.org.uk)
